

Universal Benefits Application 2026-2027

Francophone Charter School of Oakland

This application may qualify your child for benefits such as Summer EBT/SUN Bucks, internet access, school transportation, and more. Inquire with your child's school district to learn what benefits may be available to them. Completing this application will not impact your student's ability to receive school meals at no cost. The U.S. Department of Homeland Security and the U.S. Citizenship and Immigration Services do not consider health, food, and housing services as part of the public charge determination. Therefore, submitting this application will not hurt an individual's immigration status.

Note: A non-household member may be designated as the authorized representative for application processing purposes if they have difficulty completing the application process.

Please follow all steps printed in each section of the Universal Benefits Application, so we can determine your eligibility properly for Summer EBT.

If you intend to move, or have recently moved, you should apply for benefits in the state where your child will complete or completed the school year immediately preceding the summer operational period.

Please complete, sign, and return this application in person to front office of your child's campus or scan/email to school officials at contact@francophoneschool.org.
